Re: Sister City Visitors to Play Golf in Augusta

Visitors from Augusta's Sister City, Biarritz, France arrived, Thursday, October 28 at 11pm at Bush Field. A total of twelve arrived, six of these visitors are junior golfers ages 14-16 years old, who will participate in the Augusta Cup.

The Augusta Cup is a Ryder Cup style tournament, where six 14-16 year old Augusta junior golfers will be matching up against the French visitors.

Next summer Augusta will send six junior golfers to Biarritz for the same type of tournament.

The Sister City Program is a program for cities to participate in cultural exchange. This program is provided through Sister City International membership.

The visitors arrived yesterday and will be departing Monday, November 1 at 1pm out of Bush Field.

The visitors will be available for photo opportunities and comment this evening from 7-10pm at 1207 Johns Road. For more information please contact Dr. Edouard Servy at 733-1763.

The visitors are sponsored by the owner of the Radisson.
